Dear Mr. Rogers:

I sincerely appreciated your good letter of April 10. I immensely enjoyed my entire visit to Lubbock and appreciate the large share you had in all of the arrangements. The very pleasant evening we spent together just before my departure was one of the pleasantest parts of the busy day I had with you. I am looking forward to the pictures and I have just sent a letter to Congressman Mahon telling him what all of the citizens of Lubbock did to make me feel one of them, during my all too brief stay in your great city.

Faithfully yours,
